ABOUT US

www.borjalarabuae.com

Introduction

We are so glad to introduce ourselves that we Borj Al Arab General Maintenance L.L.C is one of the leading and well experienced firms in General Maintenance and established in 2002.

We are specialized and expertise in Epoxy Flooring, Epoxy Coating, Polyurethane Flooring, Concrete Repairing, Acoustic Plastering, Paneling, Floor Leveling, Water Proofing, Leakage Injection, Surface Preparation and Refurbishing.

We have been recognized and certified by Dubai Municipality and Dubai Chamber of Commerce for our successful efforts, outstanding performance and sustainable contributions over the past years.

Introduction

We have participated in the construction activities for many of major developments and provided services for most of the reputed clients including Government sector and Private industries in UAE.

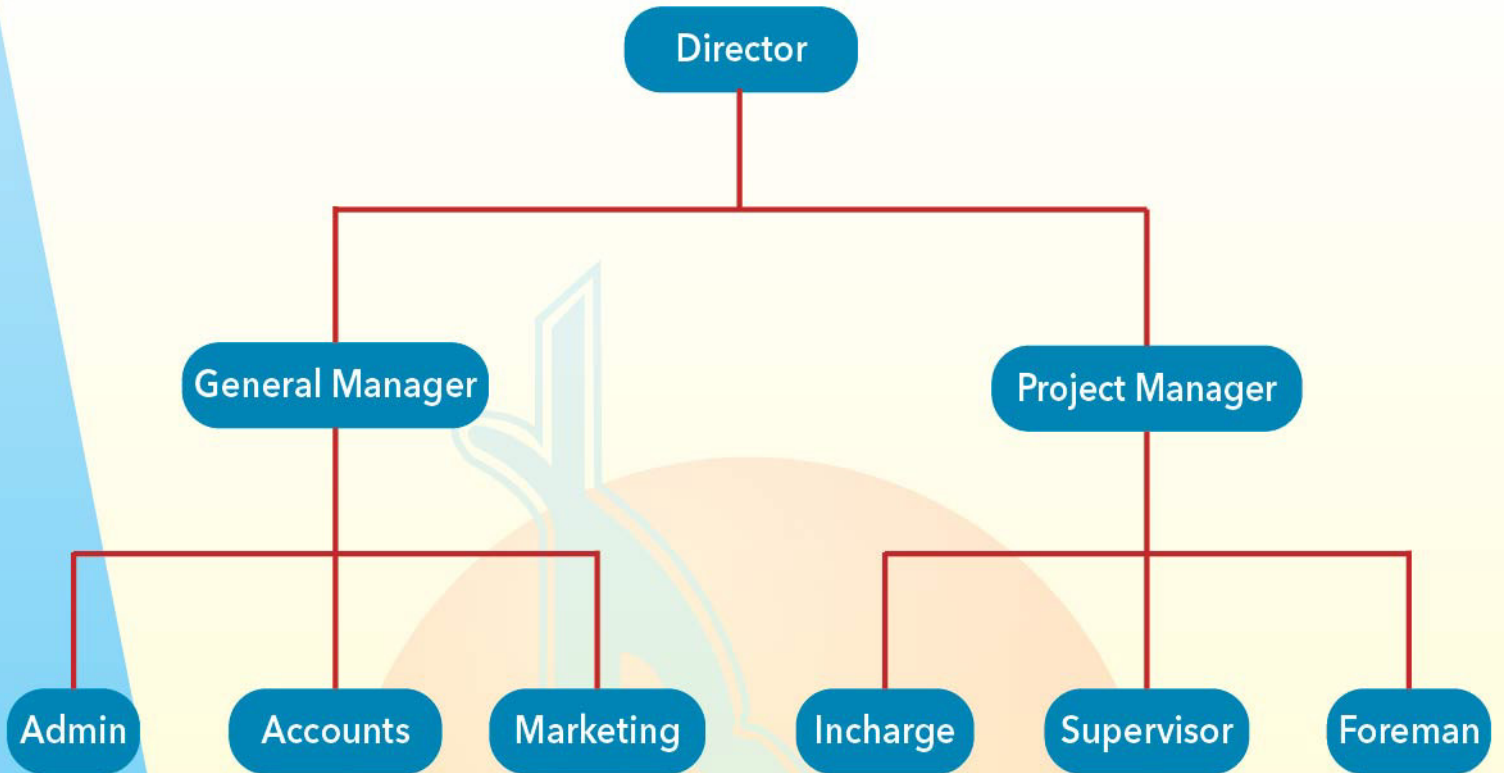

We have many teams with professionally qualified and well experienced engineers, supervisors, skilled and unskilled workforce to carry out the tasks, we are competent to carry out the jobs in the Industrial Projects, Malls, Residential and other multipurpose developments.

We are associated with world's leading construction chemical manufacturers such as Fosroc, BASF, Conmix, Jotun, Henkel Polybit Industries and National Paints.

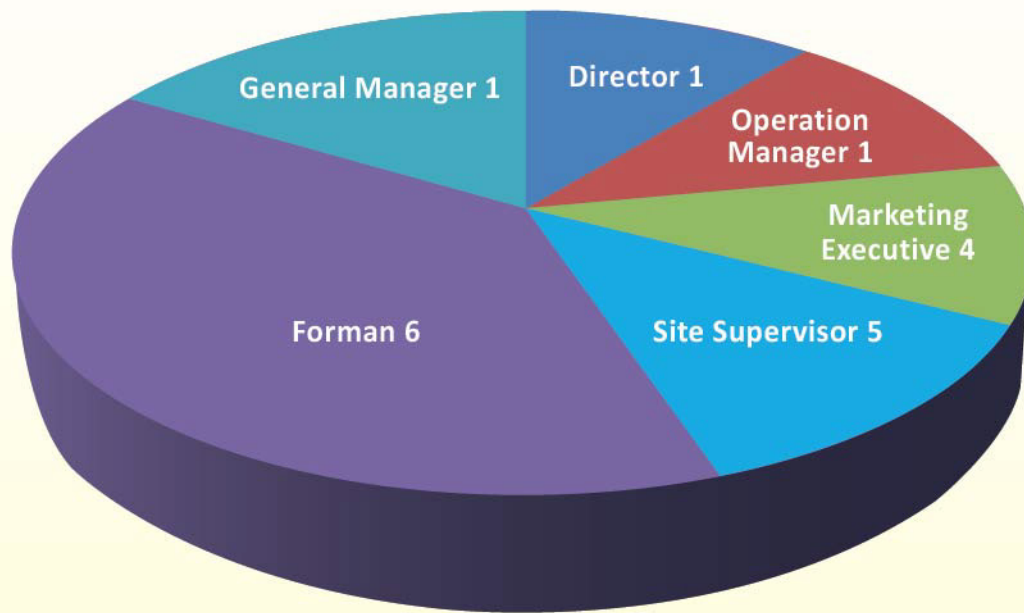

The total satisfaction of our clients is our value and strength, therefore we here by promise our professional and quality services always.
